

FIRE RESTRICTIONS AND PROHIBITED ACCESS

Ministry of Natural Resources and Forestry (MNRF)
(as of July 11, 2018)

1. There are currently 19 fires burning in the Municipality of Temagami; however, this number can change rapidly.
2. The dry conditions and warm weather early in the summer has created dangerous conditions for forest fires.
3. The Temagami area is in an emergency situation. Although you may not see or smell these fires, they are actively burning.
4. The MNRF has restricted access to the areas that are currently under threat, based on weather, fire risk, local fire activity as well as potential fire risk.
5. **Public safety is absolutely paramount.** While this emergency is being managed the identified areas are to be vacated as soon as possible.
6. These conditions change frequently. Check the website daily at: **<https://www.ontario.ca/page/forest-fires>** for the most up to date accurate information.
7. The Regional Information Officer can be contacted at: **705-564-6156** for detailed information.
