Temagami First Nation Management's Responsibility for the Consolidated Financial Statements

March 31, 2020

The accompanying consolidated financial statements of Temagami First Nation are the responsibility of management and have been approved by the Chief and the Executive Director on behalf of Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these consolidated financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is provided.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Audit Committee meets at least twice annually to prepare for and review the annual financial statements and to monitor the investments of Temagami First Nation. The committee contributes to ensuring strong accountability (gway a ko chi gewin) and improving the quality of financial information available to Temagami First Nation members.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Temagami First Nation and meet when required.

Independent Auditor's Report

To the Chief and Council of Temagami First Nation

Opinion

We have audited the consolidated financial statements of Temagami First Nation, which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Temagami First Nation as at March 31, 2020, and its consolidated results of operations, its consolidated change in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated* Financial Statements section of our report. We are independent of Temagami First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters

Temagami First Nation has also prepared another set of financial statements for the year ended March 31, 2020 in accordance with Canadian public sector accounting standards which includes unaudited schedules that are not included in these consolidated financial statements. Our audit report on the other set of financial statements was issued to the members of Temagami First Nation and was dated August 7, 2020.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. In preparing the consolidated financial statements, management is responsible for assessing

Temagami First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Temagami First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Temagami First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of Temagami First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Temagami First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Temagami First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Significant Accounting Policies

Accounting Principles The consolidated financial statements of the Temagami First Nation ("TFN") are the representation of management prepared in accordance with Canadian public sector accounting standards as prescribed by the Canadian Public Sector Accounting Board.

Method of Accounting Sources of financing and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Basis of Consolidation TFN reporting entity consolidates the assets, liabilities and results of operations for TFN government and all related entities which are accountable to TFN and are either owned or controlled by TFN and the Daki Menan Lands and Resources Corporation which is controlled by TFN.

Cash and Cash **Equivalents**

Cash and cash equivalents includes cash on hand, current bank accounts and short-term deposits, if any, with terms to maturity of less than 90 days.

Investments

Investments are recorded at market value.

Funds Held in Trust by ISC

Band funds held in trust by Indigenous Services Canada ("ISC") arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

Significant Accounting Policies (continued)

Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs attributable to acquisition or construction of the tangible capital asset including but not limited to transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue, when fair value can be reasonably estimated. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing in the year the asset is available for productive use as follows:

Buildings	25 to 50 years
Construction camp (included in buildings)	5 years
Vehicles	3 to 20 years
Machinery and equipment	3 to 10 years
Land improvements	7 to 40 years
Infrastructure	15 to 75 years
IT equipment	2 to 4 years

Construction in progress is not amortized until construction is substantially complete and the assets are ready for use.

Reserves and Reserve **Funds**

Certain amounts as approved by TFN's Chief and Council, are set aside for future purposes. Transfers to and from reserves and reserve funds are an adjustment to the respective reserve when approved.

Revenue Recognition Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

> All other revenue is recorded as the applicable service is provided and collection is reasonably assured.

March 31, 2020

1. Significant Accounting Policies (continued)

Management Estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires that management make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the period. Actual results could differ from these estimates.

Accounts receivable and accounts payable are reported based on amounts expected to be recovered or incurred and reflect an appropriate allowance for unrecoverable amounts based on management's estimates. Amounts recorded for amortization of tangible capital assets are based on estimates of useful service life.

March 31, 2020

2. Investments

Short-term and portfolio investments are recorded at market value and consist of the following:

	2020	2019		
GIC's ⁽ⁱ⁾ Mutual funds, T-Bill funds, bonds and equities	\$ 1,032,341 \$ _ 1,977,117	1,010,681 1,995,618		
	\$ 3,009,458 \$	3,006,299		

(i) GIC's balance consists of one guaranteed investment certificate maturing September 2020 bearing interest rate at 1.40%.

3. Accounts Receivable

	 2020	2019		
Indigenous Services Canada (ISC) Health Canada Government of Canada Province of Ontario	\$ 671,180 22,001 210,353 285,330	\$	915,579 62,968 909,073 979,957	
Other ⁽ⁱ⁾ (net of allowance for doubtful accounts of \$85,661 (2019 - \$85,661)	1,441,271 2,630,135	\$	896,335 3,763,912	

(i) Included in Other receivables are two loans receivable in the amount of \$40,377 (2019 - \$46,435), receivable over 10 to 12 years and each bearing interest at a rate of 5% per annum.

4. Funds Held in Trust by ISC

 2020	2019
\$ 2,353	\$ 2,353

These funds are held by Indigenous and Northern Affairs Canada in trust for TFN. These funds can only be used with approval from the TFN community.

March 31, 2020

5.	Accumulated Surplus	2020	2019
	Investment in tangible capital assets (Note 8) Less: Debt (Note 10)	\$ 24,047,131 6,707,594	\$ 14,542,045 1,355,153

	onattocated surptus	\$ 19,483,881	\$ 16,523,168

- i) This represent a moveable asset reserve for acquisition of tangible capital assets.
- ii) These are reserve funds established for future capital repairs and construction.
- iii) These are earmarked funds for revenue generation and planned capital projects.

March 31, 2020

6. Pension and Benefit Plans

TFN has a defined contribution pension plan for permanent employees. Under the terms of this plan, employee contributions of up to 5.5% of salary are matched by TFN. All investment decisions are the responsibility of the individual employee. During the year, TFN made contributions to this plan in the amount of \$222,548 (2019 - \$224,416).

In addition, TFN has a benefit plan for active employees covering supplemental health and dental costs. The full cost of this plan is covered by TFN.

7. Resource Revenue Sharing

The Temagami First Nation (TFN) and the Teme Augama Anishnabai (TAA) receive revenues from mining activities on N'Daki Menan. A resource agreement previously concluded provides participation opportunities and certain financial benefits for the TFN and the TAA. During the year, amounts earned under this agreement and investment income earned on the account amounted to \$448,042 (2019 - \$435,619). Expenses related to monitoring the agreement and approved allocations amounted to \$184,209 (2019 - \$190,175). On June 25, 2017 resolutions passed by TFN and TAA in assembly approved an allocation of \$2.570 million for capital projects and \$100,000 for Joint Council operations. Of the \$2.570 million, \$1.920 million has been paid and included in Band Generated and other revenue in 2018. At March 31, 2020 assets including cash, short term investments and amounts receivable amount to \$1.879 million (2019 - \$1.616 million) which are not included in these financial statements pending completion of a process to determine how these proceeds will be further allocated and used.

		\$ 7,708,176	\$ 2,355,735

10. Long-Term Debt (continued)

Assuming refinancing of mortgages under similar terms, principal payments due over the next five years and thereafter, are as follows:

2021	\$ 300,000
2022	307,579
2023	308,899
2024	310,240
2025	311,879
Thereafter	6,169,579
	\$ 7,708,176

In 2020, interest expense of \$89,309 (2019 - \$17,452) has been reflected in the Consolidated Statement of Operations.

- (i) The loan payable of \$1,000,582 owing to the Research Branch of Indigenous and Northern Affairs Canada was made for the research, development and negotiation of the land claim. An amount of \$50,000 was loaned to the Band in 1976, a further \$75,584 loaned in the 1980-81 fiscal year, \$190,000 in the 1981-82 fiscal year, \$423,000 in the 1982-83 fiscal year, \$177,000 in the 1983-84 fiscal year, \$27,523 in the 1984-85 fiscal year to cover deficiencies from 1981 to 1984, and \$57,475 was loaned in the 1985-86 fiscal year. The loan repayment is contingent on the settlement of the land claim, at which time it will be repayable. (See Note 12)
- (ii) The CMHC loan in the amount of \$169,587 represents a loan made by CMHC to TFN to construct two apartment duplexes as rental units. The other CMHC loans are made to TFN to enable Band members to purchase rent-to-own houses.
- (iii) Temagami First Nation is required to set aside cash in a debt reserve fund that is restricted towards paying down this debt. The restricted cash set aside at year end and included in cash and cash equivalents is \$280,075.

11. Intergovernmental Arrangements

TFN continues to be involved in historical funding arrangements with the Government of Canada, particularly ISC, that enable TFN to administer its operations and provide services to its members. Funding provided to TFN pursuant to these agreements constitutes a significant portion of TFN's revenues. The nature of these arrangements continues to evolve.

March 31, 2020

12. Contingent Assets

TFN remains in ongoing land claim negotiations. It is expected that the parties will negotiate an amount of financial compensation to be paid by the Government of Ontario to TFN. At the date of the consolidated financial statement preparation the outcome of these negotiations and any financial compensation is unknown and cannot be reasonably estimated.

13. Funding Reconciliation

ISC revenue per funding confirmation	\$ 5,402,112
Amend #55 - April 2020 CHRT 19/20 (funding agreement 20/21)	(47,610) 61,617

Health Canada revenue per the consolidated financial statements	\$ 1,783,316

March 31, 2020

14. Contingent Liabilities

Three lawsuits have been filed against the First Nation. It is the opinion of management and legal counsel, that the outcome of these lawsuits, now pending, is not determinable. TFN has filed a lawsuit against a consultant for the Multi-Use Facility and a counter-claim has been received. Since the final outcome of the above noted actions cannot be determined as likely and any loss cannot be reasonably estimated, no provision has been made in these financial statements.

15.	Expenses by Object		
		2020	2019
	Salaries, wages and benefits Materials, supplies and capital Contracted services Rents and financial Travel, training and other Amortization	\$ 4,781,611 1,287,537 3,061,223 812,198 1,130,804 958,273	\$ 4,199,942 911,427 2,711,520 887,337 1,260,815 783,328
		\$12,031,646	\$ 10,754,369

16. Budget

The Budget adopted by Council on December 16, 2019 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards now require a full accrual basis. The budget included transfers to and from reserves. As a result, the budget figures presented on the Consolidated Statements of Operations and Changes in Net Financial Assets represent the financial plan adopted by Council with adjustments as follows:

	 2020
Budgeted income for the year Add:	\$ -
Transfers from reserves	 (117,724)
Budget deficit per consolidated statement of operations	\$ (117,724)

March 31, 2020

17. Subsequent Event

On March 11, 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) a pandemic, resulting in economic uncertainties affecting the organization. Management is actively monitoring the affect on its financial condition, liquidity, operations and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Temagami First Nation is not able to fully estimate the effects of the COVID-19 outbreak on its results of operations, financial condition or liquidity at this time. The Temagami First Nation has instituted rigorous protocols for all activities on Bear Island.

March 31, 2020

18. Segmented Information

TFN is a diversified government institution that provides a wide range of services to its members, including education, infrastructure maintenance, medical and other health services, administration, capital, enterprises and other services.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Ontario First Nation Limited Partnership (OFNLP)

With revenues received through this partnership, Temagami First Nation provides its citizens that reside both on and off-reserve with an array of programs within the five areas of approved spending which include Education, Health, Economic, Cultural and Community Development.

Community Development

TFN provides a wide array of other services, including ferry and air boat services, fire protection, postal services, public library, youth employment projects and economic development. Also included are lands and resources and administration for TFN's land code. Community events such as the PowWow, special language, and cultural projects are also included.

Health and Social

The department provides a diverse bundle of services directed towards the well being of members including such activities as medical transportation, home support services, prenatal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members.

The social assistance department is responsible for administering assistance payments as well as providing services directed towards members.

March 31, 2020

18. Segmented Information (continued)

Administration

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes dog by-law enforcement and the governance activities of Chief and Council.

Operations and Maintenance

This department is responsible for public services such as the operation and maintenance of roads, the water and sanitation system and waste management. Maintenance of Band buildings and community infrastructure is also included in this segment.

Education

The education department provides services to elementary students through operation of the Laura McKenzie Learning Centre. It also provides support for secondary students, primarily by entering into service contracts with provincially funded area school boards. In addition, the department supports post-secondary students by providing funds for tuition fees, books and living allowances.

Housing

This department is responsible for all housing including rental units, CMHC rent-to-own housing and any Residential Repair Assistance Programs (RRAP)

Daki Menan Lands and Resources Corporation

This corporation is an incorporated non-for-profit company. Activities include a fuelwood business, office and property rentals and forestry operations.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.
