TFN First Nation Control Group Update

PUBLIC WORKS/ ELECTRICAL UTILITY REP/COMMUNITY EMERGENCY

Shuttle boat is operating; Covid 19 Pandemic Protocol and Procedures in place – please be sure to wear a mask and use hand sanitizers that are available. **All trips must be booked in advance** by calling the office at ext. 101. The shuttle times are posted.

The deadline for applications for the Seniors & Disabled Housing Complex is August 24, 2020. You can contact Elizabeth Potts for an application or find them on the website. 705-237-8943 ext. 106
elizabeth.potts@temagamifirstnation.ca www.temagamifirstnation.ca/housing-department/

POLICE

The police remain status quo and have been responding to calls and general inquiries.

FIRE CHIEF

We are currently without a Fire Chief; if you know of any one that may be interested, please have them contact Human Resources. We are looking for a reliable person to check the equipment monthly; caches; and respond to calls if necessary.

Please report forest fires by calling 310-FIRE

EMERGENCY MEDICAL SERVICES REP

Emergency services remain status quo; EFR have been responding to calls and practicing pandemic protocols and procedures.

MEDICAL/HEALTH REP

Community Health Nurse, Delma Peshabo is taking appointments for Community Members to have COVID-19 testing done at the DPHC on Thursday Mornings. Please call the DPHC to book an appointment. 705-237-8900 ext. 301 and remember to bring your Health Card.

Cloth face masks are available at the clinic for adult community members. Call the DPHC to arrange for a mask if required. 704-237-8900 ext. 301

We encourage you to keep a contact journal, particularly when leaving the island. This information will help in tracing efforts to stop further spread if a community member should become ill. The journal should log where you've been, who you interacted with and what day this occurred.

SOCIAL SERVICES

The Summer Camp Program for children in Grades one through eight is underway now for the month of August. Safety provisions are in place.

Cloth face masks are also available at FHWC for adult community members. Call to arrange for a mask if required. 704-237-8022 ext. 409

A survey to assess off-reserve band members financial needs can be found at https://www.temagamifirstnation.ca/wp-content/uploads/2020/06/Funding-Eligibility_.pdf. This will help to determine how the **COVID-19 Urban Indigenous Community Support Fund** can be disbursed based on needs.

MENTAL HEALTH

A Mental Health Response Team is being formulated. These individuals are presently planning training and developing a work plan for this. There will be a call out for volunteers for this response team in the near future. Please feel free to reach out to Raymond Katt if you're interested in lending assistance in this regard.

Mental Health resources remain advertised in the newsletter, online and in the weekly updates. Should you or any member of your household just need someone to talk to – there are workers available to do so. During these difficult times, mental health and wellness are of the utmost importance.

Raymond Katt organized a Canoe Trip to Maple Mountain which focused on Identity, Unity and Relationship Building. We expect the return of these canoe-trippers today.

HCC - ELDER'S SUPPORT

Elders drop-in program takes place Tuesdays from 1-3pm at the North Star Building and HCC workers have commenced with client in-home cleaning services.

FOOD SECURITY

The Food Security Group has **discontinuing services** and instead has reinstating client shopping trips. Please follow health and safety protocols when going into public settings. Masks are mandatory in most indoor establishments; be sure to bring them on all shopping trips.

EDUCATION/LMLC REP

We will have an extensive information package available next week which will outline how elementary, secondary and post-secondary classes will be proceeding come September. The BIEA is now finalizing these plans for children in the classroom.

INFORMATION COORDINATOR

Information has been made available through various media sources; The BI Blast; the Weekly Updates; Facebook, email – we continue to inform the community with those updates and how we are progressing through the pandemic.

REOPENING PROCEDURES AND PROTOCOLS

Band offices remain closed to the public and the FNCG is working towards efforts to opening band buildings. FNCG and TFN Managers have established and are working towards implementing protocols and procedures into the buildings to ensure that staff can return to a safe working environment. Health & safety procedures are monitored and the needs for the staff to return are being addressed.

SPOKESPERSON

With the Level 3 State of Emergency still in place and the First Nation Control Group remaining in place; our team has been working diligently in efforts to keep our community members safe and free from Covid. We continue to keep the community closed to the public; we continue to keep the buildings closed to the public; this is the best practice to ensure the limited chance of exposure within our community.

FNCG reminds the community to continue to practice social distancing; wear masks when out in public; wash hands and use sanitizer when hand washing stations are unavailable. Self-monitor and keep yourselves safe from exposure.

OPERATIONS OFFICER

FNCG operations remain status quo – the Level 3 State of Emergency has not heightened; we are ensuring we are addressing the overall needs of the community during this pandemic. The current Trespassing By-law remains in effect. The staff have been closely monitoring our needs to meet the community demands; the staff have worked cooperatively and ensuring food security, health & safety provisions are in place. We shall continue to have the FNCG in place until the State of Emergency is lifted.

HOW TO WEAR A NON-MEDICAL FABRIC MASK SAFELY

[who.int/epi-win](https://www.who.int/epi-win)

Do's →

Clean your hands before touching the mask

Inspect the mask for damage or if dirty

Adjust the mask to your face without leaving gaps on the sides

Cover your mouth, nose, and chin

Avoid touching the mask

Clean your hands before removing the mask

Remove the mask by the straps behind the ears or head

Pull the mask away from your face

Store the mask in a clean plastic, resealable bag if it is not dirty or wet and you plan to re-use it

Remove the mask by the straps when taking it out of the bag

Wash the mask in soap or detergent, preferably with hot water, at least once a day

Clean your hands after removing the mask

Don'ts →

Do not use a mask that looks damaged

Do not wear a loose mask

Do not wear the mask under the nose

Do not remove the mask where there are people within 1 metre

Do not use a mask that is difficult to breathe through

Do not wear a dirty or wet mask

Do not share your mask with others

A fabric mask can protect others around you. To protect yourself and prevent the spread of COVID-19, remember to keep at least 1 metre distance from others, clean your hands frequently and thoroughly, and avoid touching your face and mask.

3 Key Steps to Take While Waiting for Your COVID-19 Test Result

To help stop the spread of COVID-19, take these **3 key steps NOW** while waiting for your test results:

1 Monitor your health.

Monitor your health to help protect your friends, family, and others from possibly getting COVID-19 from you.

Stay home and away from others:

- If possible, stay away from others, especially people who are at higher risk for getting very sick from COVID-19, such as older adults and people with other medical conditions.
- If you have been in contact with someone with COVID-19, stay home and away from others for 14 days after your last contact with that person.
- If you have a fever, cough or other symptoms of COVID-19, stay home and away from others (except to get medical care).

Monitor your health:

- Watch for fever, cough, shortness of breath, or other symptoms of COVID-19. Remember, symptoms may appear 2-14 days after exposure to COVID-19 and can include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Tiredness
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

2 Think about the people you have recently been around.

If you are diagnosed with COVID-19, a public health worker may call you to check on your health, discuss who you have been around, and ask where you spent time while you may have been able to spread COVID-19 to others. While you wait for your COVID-19 test result, think about everyone you have been around recently. This will be important information to give health workers if your test is positive.

Complete the information on the back of this page to help you remember everyone you have been around.

3 Answer the phone call from the health department.

If a public health worker calls you, answer the call to help slow the spread of COVID-19 in your community.

- Discussions with health department staff are **confidential**. This means that your personal and medical information will be kept private and only shared with those who may need to know, like your health care provider.
- Your name will not be shared with those you came in contact with. The health department will only notify people you were in close contact with (within 6 feet for more than 15 minutes) that they might have been exposed to COVID-19.

Think About The People You Have Recently Been Around

If you test positive and are diagnosed with COVID-19, someone from the health department may call to check-in on your health, discuss who you have been around, and ask where you spent time while you may have been able to spread COVID-19 to others. This form can help you think about people you have recently been around so you will be ready if a public health worker calls you.

Things to think about. Have you:

- Gone to work or school?
- Gotten together with others (eaten out at a restaurant, gone out for drinks, exercised with others or gone to a gym, had friends or family over to your house, volunteered, gone to a party, pool, or park)?
- Gone to a store in person (e.g., grocery store, mall)?
- Gone to in-person appointments (e.g., salon, barber, doctor's or dentist's office)?
- Ridden in a car with others (e.g., Uber or Lyft) or took public transportation?
- Been inside a church, synagogue, mosque or other places of worship?

Who lives with you?

Who have you been around (within 6 feet for more than 15 minutes) in the last 10 days? (You may have more people to list than the space provided. If so, write on the front of this sheet or a separate piece of paper.)

Name	Phone Number	Date you last saw them	Where you last saw them
------	--------------	------------------------	-------------------------

What have you done in the last 10 days with other people?

COVID-19 UPDATE

TEMAGAMI UPDATE # 35 on COVID-19

August 06, 2020

CONFIRMED COVID-19 CASES IN NORTHEASTERN ONTARIO = 243				
Timiskaming	Timmins/Porcupine	Sudbury	North Bay / Parry Sound	Algoma
19	72	90	35	27

With the number having jumped in the last couple of weeks in Northeastern Ontario, please remain vigilant and follow public health measures in terms of social distancing, wear a mask inside public places and wash your hands. We ask that people please continue to keep your close contact to no more than 10 people in your bubble. Everyone needs to continue to be safe and respect the guidelines that have been put in place for our protection.

Download COVID Alert today COVID Alert helps us break the cycle of infection. The app can let people know of possible exposures before any symptoms appear. **That way, we take care of ourselves and protect our communities.** Learn more about COVID Alert at:

Approach to Reopening Schools for the 2020-2021 School Year. Find out what to expect as schools reopen by visiting: <https://www.ontario.ca/page/approach-reopening-schools-2020-2021-school-year>

Together, let's limit the spread of COVID-19 and prevent future outbreaks. The government's priority is, and will continue to be, protecting people's health and well-being while planning for recovery and growth. That is why it is essential that everyone continues to act responsibly and respectfully towards their fellow citizens by following the advice of public health officials.

As the province moves further in to phase 3, the government will continue to count on the dedication, innovation and spirit of the people of Ontario. Through everyday actions like buying made-in-Ontario products or safely shopping at local small businesses, together we will make Stage 3 a success and get Ontario's economy growing again.

For further information on the reopening of the Province please visit <https://www.ontario.ca/page/reopening-ontario>

Effective July 24, 2020 all persons entering or remaining in a public premise must wear a mask or face covering that securely covers the nose, mouth, and chin as required by the Acting Medical Officer of Health under the authority of the Emergency Management and Civil Protection Act (EMCPA) Ontario Regulation 263/20.

Please ensure that you remain kind and respectful to one another as we work through phase three of the reopening. It is important for the public not to point out or criticize individuals who are not wearing a mask.

For more information on the regulations related to wearing masks please visit <https://www.timiskaminghu.com>

The Municipal Office and the Temagami Public Library are still accessible via scheduled appointments, telephone and by door bell located at the exterior doors.

Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

CONTACT TRACING: WHAT TO EXPECT IF YOU MAY HAVE BEEN EXPOSED TO SOMEONE WITH COVID-19

1

If you have been in close contact with someone who has COVID-19, a public health worker will call you to inform you that you may have been exposed to COVID-19.

Any information you share with public health workers is **CONFIDENTIAL**.

This means that your personal and medical information will be kept private.

2

You should stay at home and self-quarantine for 14 days, starting from the last day you were possibly exposed to COVID-19.

Self-quarantine means staying home, monitoring your health, and maintaining social distancing (at least 6 feet) from others at all times.

3

The public health worker can provide information about COVID-19 testing in your area.

If you need support or assistance with self-quarantine, your health department or community organizations may be able to provide assistance.

4

You should take your temperature twice a day, watch for fever and other symptoms of COVID-19, and notify your health department if you develop symptoms.

5

If you become ill during the 14 days of self-quarantine, you should notify the health department and seek medical care if your symptoms worsen or become severe. Emergency warning signs include **trouble breathing, persistent pain or pressure in the chest, confusion, inability to wake or stay awake, or bluish lips or face.**

We can all work together to help slow the spread of COVID-19.

Do your part to keep your family and your community safe: **Answer the call to slow the spread.**
