COMMUNITY MEMO

TO: All Community Residents
FROM: TFN Chief & Council
DATE: January 21, 2021
RE: Lockdown Update

Dear Community Residents,

Please be advised, Chief and Council hereby resolve that the community of Bear Island shall extend community GREY-LOCKDOWN status until **February 19th, 2021**. This effort is to ensure the continued safety of the community, mitigate potential infection and spread of the virus.

Further, a strict No-Trespassing restriction will remain in effect to all non-residents of Bear Island. Exemptions will be made only for those deemed Essential Workers, those in need of emergency medical care, caretakers, and for those participating in traditional harvesting.

Our community is privileged to be able to provide essential services so that Citizens can minimize travel off-island. The Doreen Potts Health Centre will provide any prescription pickups as well, are equipped for Covid-19 testing. Please contact them rather than travelling off-island. The DPHC Medical Transportation service has been reinstated under strict **essential-only services**. Call 705-237-8900 ext.301.

The Family Healing and Wellness Centre and the Home and Community Care are heading the Food Security program and can provide grocery and household necessities to residents. This service is available for all residents of Bear Island and you are also encouraged to shop at the Pier Market. Please reach out to the Food Security Group on Mondays to place your order by calling 705-237-8022 ext. 409.

And further, a limited shuttle service is available for community members for **essential-only trips** off-island for those residents who are without travel means. Call 705-237-8943 ext. 101.

During this lockdown period, the LMLC continues to provide virtual learning to students and the daycare will remain closed. All TFN offices remain closed but staff can still be reached as normal by phone and email.

Respectfully, please continue practicing the safety measures that we know stops the spread of the virus. Wash your hands, wear a mask and remain only with those living in your household. By following these guidelines, together, we are keeping our community safe and healthy.

In unity,
Temagami First Nation Chief and Council

TFN First Nation Control Group Update

TFN welcomes RACHEL MCKEE in her new temporary position as

Pandemic Safety Coordinator

We're happy to have her join the team in this capacity.

Rachel's responsibilities will include:

- Providing findings and recommendations to the FNCG and Chief & Council as required;
- Maintain business continuity and emergency management plans and procedures;
- Monitoring compliance to environmental and health regulations and identifying risks;
- Communicate observations and provide suggestions for incident reduction measures;
- Ensure rapid and correct dissemination of information on Temagami First Nation Emergency Response Plans, Pandemic Planning, and general health and safety in relation to the Pandemic.

Please feel free to contact her at pandemic@temagamifirstnation.ca or by phone at 705-237-8900 ext. 312

Need for COVID-19 Vaccines:

- The Covid-19 vaccines are our best chance at ending this coronavirus pandemic.
- Vaccination is the most effective way to prevent the spread and reduce the impact of Covid-19.
- Only vaccines that are effective and safe are approved by Health Canada.
- Vaccines can help keep TFN citizens safe.
- It is important to continue public health measures until the vaccines are more widely available.

NOTICE TO COMMUNITY

Ice Road Opening

January 22, 2021 – Temagami First Nation Infrastructure Department wishes to advise the community of Bear Island that the Ice Road will officially **OPEN** for **light vehicle traffic** on **Monday, January 25th, 2021.**

Signs are posted on the ice road and indicate the allowable weight limits. On Monday, January 25th, 2021 the limit will be 3 tonnes. As the ice strengthens the weight limits will increase.

Friendly reminder that when entering and exiting the road to reduce your speed to **20km/hr** and while on the road that the maximum speed is **40kms/hr**. There is no parking on the ice road permitted.

COMMUNITY INFRASTRUCTURE
705.237.8943 ext.103
cim@temagamifirstnation.ca | www.temagamifirstnation.ca

Be further advised that those traveling off the marked ice roads are doing so at their own risk. TFN Vehicles are not permitted to travel off the marked ice road unless otherwise approved.

Thank you to the Infrastructure Crew and we remind you all to only travel off island for essential purposes and that a strict **No Trespassing restriction** for non-residents remains in place until at least February 19, 2021

Should you have any questions, please contact Derek Laronde by phone at 705-237-8943 ext. 103 or by email to cim@temagamifirstnation.ca

January 21, 2021

Dear Parents/Guardians,

Based on recommendations from Chief and Council, Bear Island shall extend community GREY-LOCKDOWN status from January 25, 2021 until February 19th, 2021.

Therefore, as a precautionary measure, the LMLC will remain closed and students will continue to learn in the virtual classroom. During remote learning, our goal is to create teaching and learning conditions that will, as best as possible given the circumstances, lead to the successful completion of the school year for all students. Attendance is taken daily, and students must log into their classes at the time specified by the teacher. This attendance will also be reflected on the report cards.

Also, we are making ski equipment available to all students for extra curricular activities. Please sign and return the attached Ski Equipment User Agreement should you choose to borrow the equipment.

We recognize that changes in how we are providing services to the students will have a huge impact on your families. However, we seek your continued support and understanding as we work together in these unprecedented times.

Thank you,

Angela Robb

January 20, 2021

Attention Community members:

We are anticipating that we will have a more specific timeline when the Covid-19 vaccine will become available to our community residents (18 +) soon. We will most likely be receiving the Moderna Vaccine. It involves taking two shots (2nd shot 4 weeks after the first shot).

We encourage residents with specific health conditions to check with their Medical Doctor to ensure you are a good candidate to be receiving the vaccine.

Make sure you are getting the right information regarding this vaccine as you consider this important step towards prevention. The FNCG is working with Mae Katt (NP) to put together a short info video on the vaccine in the near future, which will be made available to our community. It is also hoped that we are able to schedule a Community Zoom Meeting with a Health Care specialist to talk about this vaccine and answer any questions you have about it. Watch for the notice of when this will happen. In the meantime, stay safe, stay well ... stay home.

Wayne Potts
HSM

How the Vaccine is Given:

- The Moderna vaccine requires 2 doses administered 28 days apart.
- The first dose provides some protection against the virus.
- The second dose provides more protection for the long-term.
- It is very important that people receive both doses.
- Vaccination teams will visit each community twice.

Northeastern Ontario Situation Report

<https://www.cbc.ca/news/canada/sudbury/covid-19-numbers-northeastern-ontario-1.5509386>

As of Jan 22:

- There are currently **131 active cases** in northeastern Ontario — 70 in Public Health Sudbury & Districts, 28 in the Porcupine Health Unit's area, 28 in the Algoma Health Unit region and five in the North Bay Parry Sound health unit district.
- There have been a total of **1031 confirmed** cases since the pandemic began.
- According to health unit data, there are at least **881 recovered** cases in the region.
- A total of **20 people have died** from COVID-19 in northeastern Ontario.
- Northeastern Ontario health units are reporting that at least **385,835 tests** have been conducted for the COVID-19 virus.

Cases by health unit:

- | | |
|--------------------------------------|-----|
| • Public Health Sudbury & Districts: | 417 |
| • Porcupine Health Unit: | 191 |
| • Timiskaming Health Unit: | 86 |
| • Algoma Health Unit: | 149 |
| • North Bay Parry Sound District: | 186 |

CONTACT INFORMATION
OPP 705-237-8963 OR 1-888-310-1122

About the Moderna Vaccine:

- The Moderna vaccine will likely be administered on Bear Island as it is easier to transport and store.
- The Moderna vaccine has been tested, reviewed and approved by Health Canada.
- The Moderna vaccine does not cause a coronavirus infection. It helps to build up our body's ability to fight off the virus.
- The first Covid-19 vaccines are called messenger RNA (mRNA) vaccines. RNA stands for ribonucleic acid, which is a molecule that provides cells with instruction for making proteins.
- These vaccines teach our cells how to make copies of the coronavirus' spike protein that are harmless to us (do not cause disease) which creates an immune response if we become infected with the virus.
- If the virus reappears, your immune system will recognize and fight off the virus before it can develop and cause sickness.
- This reduces the risk of developing the coronavirus.

**TEMAGAMI FIRST NATION
EMERGENCY MENTAL HEALTH TEAM
NOTICE OF RECRUITMENT REQUEST
TO: Bear Island Residents**

Dear Residents,

We are establishing our own Emergency Mental Health Response Team (EMHRT) as soon as possible. The goal is to have a total of 8 members by the end of the first week in January 2021.

Training will be provided regarding certifications in areas such as Mental Health First Aid, Crisis Intervention, Violent Threat Risk Assessment and more as recommended.

At this time of Covid-19, we are in more need of this service as the effects of stress and anxiety are more noticeable in the community.

Service Description: The goal and purpose of the EMHRT is to try and provide a safe result for all concerned. When the EMHRT receive a call, their role will be to respond as soon as possible. The first task would be to assess the circumstances to establish if other resources are needed such as the Emergency Response Team or the Police.

The time of being on the EMHRT will be honored by an honorarium that will be provided on a monthly or bi-monthly basis.

Please send a letter of interest and should you require clarification regarding this request, please contact me at (705) 237-8900, extension 307.

MeeGweetch,

Raymond Katt – NNADAP Worker

nnadap@temagamifirstnation.ca
(705) 237-8900, extension 307

**FNCG
FOOD SECURITY
PROGRAM**

The Food Security Program is available for all community members during the lockdown period.

Please contact 705-237-8022 ext.409 if you require food security assistance.

If you would like to receive this food service, contact Alyssa at 705-237-8022 ext 409.

ORDERS DUE ON MONDAYS

Clients who are able to pick up their orders should call to make appointment for pick up, this gives us time to fill their order and have it ready for them. Delivery is only for clients who do not have a vehicle.

**COVID-19 TESTING
AVAILABLE at DPHC by appointment only.**

**Call to book your appointments at
705-237-8900 ext 301**

COVID-19 UPDATE

TEMAGAMI UPDATE # 49 on COVID-19

January 21, 2021

CURRENT ACTIVE CASES				
Timiskaming	Timmins/Porcupine	Sudbury	North Bay / Parry Sound	Algoma
1	30	73	6	30
TOTAL ACTIVE CASES IN NORTH EASTERN ONTARIO 140				

A STAY-AT-HOME ORDER IS IN EFFECT FOR ONTARIO

EMERGENCY ALERT - Effective Thursday, January 14, 2021 at 12:01 a.m., the government has issued a stay-at-home order requiring everyone to remain at home with exceptions for permitted purposes or activities, such as going to the grocery store or pharmacy, accessing health care services, for exercise or for work where the work cannot be done remotely. This order and other new and existing public health restrictions are aimed at limiting people's mobility and reducing the number of daily contacts with those outside an immediate household. **In addition to limiting outings for these purposes, all businesses must ensure that any employee who can work from home, does work from home.**

These new public health measures will help stop the spread of COVID-19 by reducing concerning levels of mobility as the province continues its vaccine rollout and ramps up to mass vaccination when the federal government is able to provide the necessary supply to do so.

OFSC COVID-19 UPDATES - Effecting January 21st, North Bay Parry Sound District Health Unit (NBPSDHU) is temporarily closing all Ontario Federation of Snowmobile Clubs (OFSC) trails within its region for the duration of the provincial Stay At Home Order. This district stretches from Parry Sound on the shores of Georgian Bay, east to Mattawa on the Ottawa River, and from Novar north almost to Marten River. For more information visit: <https://www.ofsc.on.ca/>

COVID-19 vaccines for Ontario information related to vaccine roll out will be shared as soon as details become available. For more information visit: <https://covid-19.ontario.ca/covid-19-vaccines-ontario>
