# TFN First Nation Control Group Update

## **PUBLIC WORKS/ ELECTRICAL UTILITY REP/COMMUNITY EMERGENCY**

Shuttle boat is operating; Covid 19 Pandemic Protocol and Procedures in place – please be sure to wear a mask and use hand sanitizers that are available. **All trips must be booked in advance** by calling the office at ext. 101. The shuttle times are posted.

Public Works team continues on the Flyer’s Bay Clean up initiative. There will be no future dumping at that site.

## **POLICE**

The police remain status quo and have been responding to calls and general inquiries.

## **FIRE CHIEF**

We are currently without a Fire Chief; if you know of any one that may be interested, please have them contact Human Resources. We are looking for a reliable person to check the equipment monthly; caches; and respond to calls if necessary.

Please report forest fires by calling 310-FIRE

## **EMERGENCY MEDICAL SERVICES REP**

Emergency services remain status quo; EFR have been responding to calls and practicing pandemic protocols and procedures.

## **MEDICAL/HEALTH REP**

Community Health Nurse, Delma Peshabo is taking appointments for Community Members to have COVID-19 testing done at the DPHC on Thursday Mornings. Please call the DPHC to book an appointment. 705-237-8900 ext. 301 and remember to bring your Health Card

Recently, changes have been made to the Building Access Protocols which now indicates that staff awaiting test results are only to refrain from entering Band buildings when and if they are experiencing COVID-like symptoms or suspect that they’ve been exposed. You are to always self monitor for any symptoms.

Cloth face masks are available at the clinic for adult community members.

## **SOCIAL SERVICES**

FHWC aspire to start some programming for the summer. FHWC has been tasked with mask-making; this will be used for staff traveling, clients and the community at large.

## **MENTAL HEALTH**

A Mental Health Response Team is being formulated. These individuals are presently planning training and developing a work plan for this. There will be a call out for volunteers for this response team in the near future. Please feel free to reach out to Raymond Katt if you’re interested in lending assistance in this regard. Mental Health resources remain advertised in the newsletter, online and in the weekly updates. Should you or any member of your house-

hold just need someone to talk to – there are workers available to do so. During these difficult times; mental health and wellness are of the utmost importance.

### **HCC - ELDER'S SUPPORT**

Commencing with drop in on Tuesday; and HCC workers have commenced with client in-home cleaning services.

### **FOOD SECURITY**

The Food Security Group will be **discontinuing services** and instead reinstating client shopping trips. The **last day for food deliveries will be Tuesday, July 28, 2020**. Please follow health and safety protocols when going into these public settings. Masks will be mandatory in most indoor establishments as of July 24, 2020. HCC will provide clients with masks and clients are to be sure to bring them on all shopping trips.

### **EDUCATION/LMLC REP**

Plans for children in the classroom in the Fall are underway; BIEA has been working on Protocols & Procedures to implement a plan to have school in the Fall.

### **INFORMATION COORDINATOR**

Information has been made available through various media sources; The BI Blast; the Weekly Updates; Facebook, email – we continue to inform the community with those updates and how we are progressing through the pandemic.

### **REOPENING PROCEDURES AND PROTOCOLS**

Band offices remain closed to the public and the FNCG is working towards efforts to opening up. HR has been working with FNCG and Managers to get the protocols and procedures into the buildings to ensure that staff can return to a safe working environment. This also helps program managers to implement their programming under the new norm. Health & safety procedures are monitored and the needs for the staff to return are being addressed.

### **SPOKESPERSON**

With the Level 3 State of Emergency still in place and the First Nation Control Group remaining in place; our team has been working diligently in efforts to keep our community members safe and free from Covid. We continue to keep the community closed to the public; we continue to keep the buildings closed to the public; this is the best practice to ensure the limited chance of exposure within our community. FNCG understands that Ontario has lessened some restriction on gatherings and our district is implementing mandatory masks in indoor spaces and wish to advise the community that we are working towards lessening our own restrictions and will keep you all advised on these changes.

The community should continue to practice social distancing; wear masks when out in public; wash hands and use sanitizer when hand washing stations are unavailable. Self-monitor and keep yourselves safe from exposure.

### **OPERATIONS OFFICER**

FNCG operations remain status quo – the Level 3 State of Emergency has not heightened; we are ensuring we are addressing the overall needs of the community during this pandemic. The staff have been closely monitoring our needs to meet the community demands; the staff have worked cooperatively and ensuring food security, health & safety provisions are in place. We shall continue to have in place, the FNCG until the State of Emergency is lifted.

# Mask or Face Covering\* **REQUIRED**

in all enclosed public places in the  
Timiskaming & Nipissing Districts as of July 24, 2020

All persons entering or remaining in these premises must wear a mask or face covering that securely covers the nose, mouth, and chin as required by the Acting Medical Officer of Health under the authority of the Emergency Management and Civil Protection Act (EMCPA) Ontario Regulation 263/20.

Exceptions include people who cannot wear a mask or face covering for medical reasons, or children under two years old, or those who require accommodation in accordance with the Ontario Human Rights Code. Proof of exception is not required.

*\*A mask can be cloth (non-medical), disposable or medical and a face covering can be a bandana or scarf.*

July 20<sup>th</sup> 2020

Dear Community Members,  
Re: Medical Transportation Program

---

The Medical Transportation Program will begin transporting members from 2 households beginning July 20<sup>th</sup> 2020. Safety for our Driver and Clients are at the utmost importance to us therefore we will be implementing the following changes during this time.

- Medical Transportation will operate on a first come first serve basis.
- Priority will be given to Clients without vehicles.
- **Only members of 2 households will be able to travel per trip with maximum of (3)**
- Clients will be screened, and temperature taken prior to entering the Island Van/Pontoon Boat. Clients who exhibit Fever, Cough or Difficulty Breathing will not be permitted on trip.
- Clients are required to hand sanitize and put on a mask prior to entering the Island Van/Pontoon Boat.
- Passengers are required, as much as possible, to keep 2 meters distance from one another.
- Clients will be driven to their appointment and Driver will wait outside for them to finish.
- Clients will remove gloves/mask, sanitize hands and put on a new mask before re-entering the Medical Transportation Vehicle.
- Driver will continue route with picking up prescriptions and getting gas for vehicle.
- Driver will stop during route to ensure the Clients are able to get themselves a snack. (Drive Thru)
- Extra stops will not be permitted.

Thank you for your cooperation during this time.

# Northeastern Ontario Situation Report

<https://www.cbc.ca/news/canada/sudbury/covid-19-numbers-northeastern-ontario-1.5509386>

As of July 23, there are 221 confirmed cases of COVID-19 in northeastern Ontario.

- According to health unit data, there are at least **206 recovered** cases in the region, which is about 94 per cent of the total cases.
- There are currently **4 active cases** of COVID-19 in northeastern Ontario, according to local health units.
- A total of 11 people have died from COVID-19 in the northeast region.
- Northeast health units are reporting that at least 74,062 tests have been conducted for the COVID-19 virus.

#### Cases by health unit:

- Public Health Sudbury & Districts: 69
- Porcupine Health Unit: 70
- Timiskaming Health Unit: 18
- Algoma Health Unit: 27
- North Bay Parry Sound District Health Unit: 37

## I wear my mask in public for three reasons.

- 1.** Humility: I don't know if I have COVID as it is clear that people can spread the disease before they have the symptoms.
- 2.** Kindness: I don't know if the person I am near has a child battling cancer, or cares for their elderly mom. While I might be fine, they might not.
- 3.** Community: I want my community to thrive, businesses to stay open, employees to stay healthy. Keep a lid on COVID helps us all.

# Wearing is caring.

Protect our community by wearing a face mask.

# COVID-19 UPDATE

## TEMAGAMI UPDATE # 34 on COVID-19

July 23, 2020

CONFIRMED COVID-19 CASES IN NORTHEASTERN ONTARIO = 220				
Timiskaming	Timmins/Porcupine	Sudbury	North Bay / Parry Sound	Algoma
18	70	68	37	27

Public health units are no longer consistently reporting on the number of pending tests within each region.

On Friday July 17 the Province announced phase three of the reopening process.

Nearly all businesses and public spaces have been able to gradually reopen in Stage 3, with public health and workplace safety restrictions in place, while some high-risk venues and activities will remain closed until they can safely resume operations. Based on the advice of the Chief Medical Officer of Health and other health experts, gathering limits have also been increased to 50 indoors and 100 outdoors. Physical distancing remains a requirement for all people who are not from the same household or social circle.

In keeping with the gradual approach to reopening the province, Ontario will continue to monitor key public health indicators and some Stage 3 restrictions will be further eased over time when it is safe to do so. **Stage 3 does not mean that the fight against this deadly virus is over — far from it.** Everyone must continue to be vigilant and follow public health advice and workplace safety guidelines. This will help limit outbreaks and reduce the risk of undoing the significant progress we have made together over the past several months.

Together, Ontario has made tremendous progress in the ongoing fight against COVID-19, thanks to the sacrifice and hard work of frontline workers and volunteers, and the personal responsibility shown by the people of the province. The government's priority is, and will continue to be, protecting people's health and well-being while planning for recovery and growth. That is why it is essential that everyone continues to act responsibly and respectfully towards their fellow citizens by following the advice of public health officials.

As the province moves toward recovery, the government will continue to count on the dedication, innovation and spirit of the people of Ontario. Through everyday actions like buying made-in-Ontario products or safely shopping at local small businesses, together we will make Stage 3 a success and get Ontario's economy growing again.

For further information on the reopening of the Province please visit <https://www.ontario.ca/page/reopening-ontario>

Effective Friday, July 24, 2020 all persons entering or remaining in a public premise must wear a mask or face covering that securely covers the nose, mouth, and chin as required by the Acting Medical Officer of Health under the authority of the Emergency Management and Civil Protection Act (EMCPA) Ontario Regulation 263/20.

Please ensure that you remain kind and respectful to one another as we work through phase three of the reopening. It is important for the public not to point out or criticize individuals who are not wearing a mask.

For more information on the regulations related to wearing masks please visit <https://www.timiskaminghu.com/>.

The Municipal Office and the Temagami Public Library are still accessible via scheduled appointments and telephone.

THANK YOU ALL FOR YOUR SUPPORT AND EFFORTS TOWARDS  
FLATTENING THE CURVE OF COVID-19.
