NOTICE

(As of January 13, 2021)

Temagami First Nation's official SNOWMOBILE TRAIL is now **OPEN** and TFN will continue prepping (dragging) the trail in accordance with the TFN Ice Policy in preparation for a vehicle ice road. Snowmobilers using the snowmobile trail are to stay **left of the pickets** – access points are marked on/off at **the Beach** (Arnold's/Woody's) and on/off at the **Manitou Landing**.

Be advised that **Band Vehicles (cars, trucks)** are **NOT** permitted to travel on snowmobile trails at this time. Another notice will be circulated to inform you of when ploughing for a vehicle ice road will begin.

Be advised that those travelling off the marked (picketed) snowmobile trail are doing so **at their own risk** – TFN snowmobiles are not permitted to travel off of the marked picketed snowmobile trail unless directed otherwise.

IT IS STRONGLY RECOMMENDED that residents do not leave the island unless is it for essential purposes.

Stay home, stay safe!

Safe travels to all,
