## INSPECTION

### Inspection of Approved Aerial Herbicide Project Sudbury Forest

The Ontario **Ministry of Northern Development, Mines, Natural Resources and Forestry (NDMNR)** invites you to inspect the NDMNR-approved aerial herbicide projects. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Sudbury Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about **August 15, 2021**.

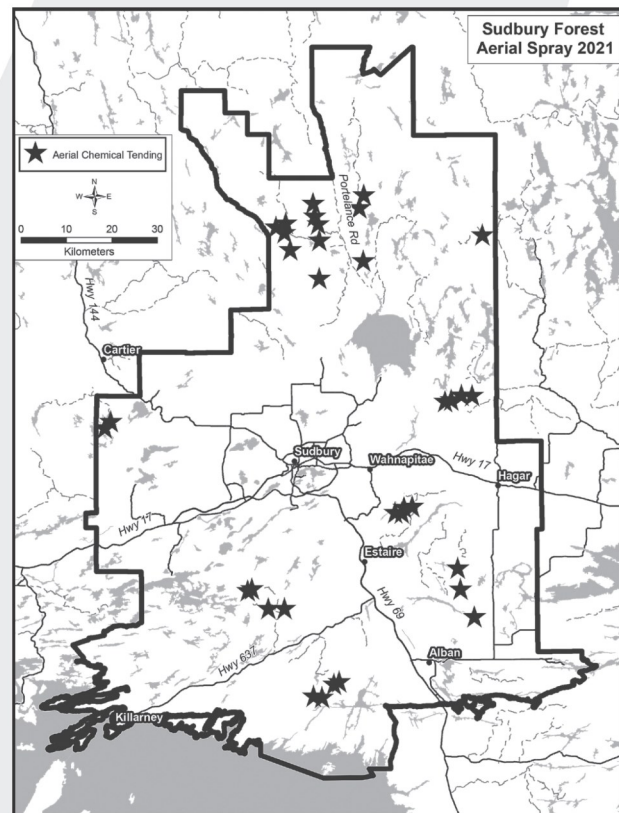

The approved project description and project plan for the aerial herbicide project is available electronically for public inspection by contacting **Vermilion Forest Management Company Ltd.** during normal business hours and on the Natural Resources Information Portal at <https://nrp.mnr.gov.on.ca/s/fmp-online> beginning **July 15, 2021** until **March 31, 2022** when the Annual Work Schedule expires.

Interested and affected persons and organizations can arrange a remote meeting with NDMNR staff to discuss the aerial herbicide project. For more information, please contact:

**Matthew Hollands, R.P.F.**  
Ministry of Northern Development, Mines,  
Natural Resources and Forestry
