

INSPECTION

Inspection of Approved Aerial Herbicide Project for Nipissing Forest

The Ontario **Ministry of Natural Resources and Forestry (MNR)** invites you to inspect the MNRF-approved aerial herbicide project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Nipissing Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 20, 2022**.

The approved project description and project plan for the aerial herbicide project is available electronically for public inspection by contacting Nipissing Forest Resource Management Inc. during normal business hours and on the Natural Resources Information Portal at <https://nrip.mnr.gov.on.ca/s/fmp-online> or at <https://www.nipissingforest.com/herbicide> beginning **July 20, 2022 until March 31, 2023** when the Annual Work Schedule expires.

Interested and affected persons and organizations can arrange a meeting with MNR staff to discuss the aerial herbicide project. For more information, please contact:
