## **COMMUNITY UPDATE**

### **Regional Forest Fire Information**

### **13 JUNE 2023**

---

Update from MNRF Timmins/Kirkland Lake District re: KLK005 Fire:

- Fire was relatively quiet today, H-50 was able to get to the fire today and observed some visible smoke on the NW end of the fire, otherwise, the rest of the fire was quiet. The forecast is calling for more rain.
  - MNRF is looking to establish helipads to access KLK005. The 2 helicopters that have been assigned to KLK005 are an intermediate (H-35), and a medium (H-50).
  - Weather pending, MNRF is planning on doing an infrared scan to determine hot spots. When the weather allows, MNRF will start placing crews on the ground to begin working on areas with visible smoke or hot spots identified from the infrared scan.
- 

**The emergency response team would like to remind everyone to always stay prepared.**

**Items to consider having on hand:**

- Extra food for family and pets
