## Inspection of Herbicide Project for Temagami Forest

The Ontario **Ministry of Natural Resources and Forestry (MNR)** invites you to inspect the planned herbicide project for the 2023 season. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Temagami Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 5, 2023**.

The project description and project plan for the herbicide project is available electronically for public inspection by contacting the Temagami Forest Management Corporation during normal business hours and on the Natural Resources Information Portal at <https://nrp.mnr.gov.on.ca/s/fmp-online> beginning **July 6, 2023 until March 31, 2024** when the Annual Work Schedule expires.

First Nation and Métis communities and interested and affected persons and organizations can arrange a remote meeting with MNR staff to discuss the herbicide project. For more information, please contact:
